Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Design Coherence

For making every choice appear inevitable, including the ones that took longest.

AWARDED TO

Amber De Bruin

OST INTERIOR

As winner of Design Coherence, Amber De Bruin is recognised for an instinct that brings colour, material and atmosphere into assured alignment. At Ost interior, her attention to matching colours finds a natural counterpart in every kind of yellow and the quiet permanence of oak. With Frank Lloyd Wright as a reference and a beach in Thailand as a place of affection, her outlook balances order with ease, while leaving suitable room for the importance of food.
