WINNER OF THE CATEGORY

Craftsmanship & the Handmade

For the things a machine still cannot quite manage.

AWARDED TO

Arwin Caljouw

RUUD VAN OOSTERHOUT DESIGN

In recognition of a talent that makes the rest of us nervous, we found, on closer inspection, an enduring preoccupation with surfing and an instinct for oak that cannot be taught. No further evidence was sought, nor would it have helped. The phrase "love the lightbulb" is understood to have settled the discussion. We award it without reservation, and with a trace of envy.
