WINNER OF THE CATEGORY

Applied Art

For bringing artistic instinct into the objects and surfaces of everyday life.

AWARDED TO

Csilla Bagijn

TRES ART

As winner of Applied Art, Csilla Bagijn is recognised for a practice that moves confidently between painting, textile and illustration. At Tres art, her preference for green and current preoccupation with paint reveal an assured sensitivity to both medium and mood. The result is art that remains distinct while entering naturally into the world of design.
