WINNER OF THE CATEGORY

Acoustic Performance

For making quiet feel less like an absence than a considered condition.

AWARDED TO

Dsniel Verlooven

IMPACT ACOUSTIC

As the winner of Acoustic Performance, Dsniel Verlooven is recognised for bringing the work of Impact Acoustic to global relationships with clarity and conviction. His regard for PET and instinct for blue reveal a sensibility both pragmatic and expressive. An admiration for Frank Gehry confirms that performance need never come at the expense of character.
