Beyond Design Awards

Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Recreational Design

For giving leisure the same formal attention usually reserved for work.

AWARDED TO

Dylan Van Keulen

PARALLEL

As winner of Recreational Design, Dylan Van Keulen is recognised for a creative outlook that treats leisure as a serious field of inquiry. At Parallel, his affection for the poolhall and current immersion in sim racing reveal an instinct for environments where concentration, competition and sociability meet. Petrol blue and multiplex provide the palette, while fatbikes are, with equal clarity, excluded.
