WINNER OF THE CATEGORY

Design Stewardship

For recognising that enduring value begins with decisions others may overlook

AWARDED TO

Femke Keuter

APF INTERNATIONAL

As winner of Design Stewardship, Femke Keuter is recognised for bringing an investor's eye to the choices that shape lasting environments. At APF International, that judgement is matched by a devotion to the interior of her new house, where dark green, marble and the calm of the forest form a notably assured brief. Her allegiance to Remi is accepted, with due respect to Stijn.
