Beyond Design Awards

Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Spatial Identity

For a space that says precisely what it is, without ever raising its voice.

AWARDED TO

Floor Anne Schram

OST INTERIOR

For a body of work no interior designer should reasonably be capable of, the panel remarked upon a fascination with leather boots en keramiek that comfortably predates its fashionability and a house style at Ost Interior that others have begun to borrow. We award it without reservation, and with a trace of envy.
