Beyond Design Awards

Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Design Advocacy

For ensuring that good ideas find both an audience and a way into the world.

AWARDED TO

Jacqueline Van Tricht

BASALTE

As winner of Design Advocacy, Jacqueline Van Tricht is recognised for bringing Basalte into productive dialogue with architects and designers. Her preference for real materials over artificial substitutes, and for a grey described with admirable understatement, reflects a clear instinct for lasting choices. Her admiration for Beyond Space and current obsession with winning awards suggest that this recognition has found a particularly receptive home.
