WINNER OF THE CATEGORY

Creative Direction

For bringing instinct, reference and material intelligence into persuasive alignment.

AWARDED TO

Janine De Jong

THE ROMO GROUP

As the winner of Creative Direction, Janine De Jong is recognised for an assured and discerning creative perspective. At The Romo Group, her consultancy is grounded in a close attention to fabric, with yellow and wood forming a confident personal vocabulary. Her admiration for Rem Koolhaas and affection for Lisbon reveal a sensibility equally alert to conceptual rigour and atmosphere.
