Beyond Design Awards

Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Assembly Excellence

For making every connection appear inevitable, including those intended to remain visible.

AWARDED TO

Jochemstaat

ANDSTAAT

As winner of Assembly Excellence, Jochemstaat is recognised for an instinctive command of how things come together. At ANDSTAAT, a fascination with screws meets the permanence of concrete and the restraint of off black. The result reflects an Amsterdam sensibility, direct, exacting and confident enough to let the fixings speak quietly for themselves.
