Beyond Design Awards

Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Spatial Foresight

For aligning ambition and architecture before either has acquired unnecessary certainty.

AWARDED TO

Joeri Van Ommeren

VOA - STRATEGY | CONCEPTS | ARCHITECTURE

As winner of Spatial Foresight, Joeri Van Ommeren is recognised for bringing strategic clarity to architecture without narrowing its possibilities. At VOA, strategy | concepts | architecture, an affinity for concrete is balanced by the expansive perspective of the ocean and the recurring discipline of Sunday morning surf. Prince remains an apt measure of creative independence, with green supplying a characteristically assured note.
