WINNER OF THE CATEGORY

Formal Conviction

For sustaining a clear point of view until recognition eventually catches up.

AWARDED TO

John Bosch

OZ

As winner of Formal Conviction, John Bosch is recognised for an architectural outlook at OZ that remains ambitious, curious and resolutely personal. His admiration for John Lautner, preference for glass and pink, and affection for Ærø reveal a sensibility drawn to bold form, vivid character and a strong sense of place. The jury is pleased to confirm that the wait has not been entirely in vain.
