Beyond Design Awards

Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Collaborative Practice

For recognising that the strongest work begins with acknowledging what others bring.

AWARDED TO

Jordy Vos

ATLAS ARCHITECTS

As winner of Collaborative Practice, Jordy Vos is recognised for an architectural outlook grounded in acknowledgment and carried through with exacting care. At Atlas Architects, his attention extends from getting every detail right to a clear preference for steel and the restrained precision of RAL 7044. Hong Kong and Bruther suggest a sensibility alert to density, structure and directness, without losing sight of the people who make architecture possible.
