Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Biophilic Design

For making nature integral to space, rather than merely invited into it.

AWARDED TO

Judith Baehner

HET GROENLAB

Judith Baehner is the winner of Biophilic Design, recognised for an interior landscape practice grounded in the simple conviction that plants are real. At Het Groenlab, her affinity for water and wood meets a fascination with mountain landscapes and Dionaea muscipula. The result is an approach to nature that is observant, spatial and refreshingly free of decoration.
