WINNAAR VAN DE CATEGORIE

Interior Resolution

For bringing every surface, junction and decision into calm agreement.

TOEGEKEND AAN

Lonneke Leijnse

HEYLIGERS ARCHITECTS

As winner of Interior Resolution, Lonneke Leijnse is recognised for an interior sensibility grounded in clarity and control. At Heyligers architects, her preference for grey and natural materials is sharpened by an enduring preoccupation with details. Her affection for the Netherlands gives this measured approach a fitting home, and the results remain, quite simply, fantastic.
