Beyond Design Awards

Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Design Autonomy

For maintaining a clear position when consensus would have been considerably easier.

AWARDED TO

M Scherpenisse

MOBILIA

As winner of Design Autonomy, M Scherpenisse is recognised for the independent perspective brought to the work of Mobilia. A preference for metal and blue, alongside a current fascination with woods, reveals a designer at ease with productive contrasts. Paris and the work of Rem Koolhaas provide fitting reference points for a practice that values clarity without conformity.
