Beyond Design Awards

Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Cultural Communication

For giving design a public life beyond the objects themselves.

AWARDED TO

MuriëL De Lange

VITRA

As winner of Cultural Communication, MuriëL De Lange is recognised for bringing design into public conversation with warmth and precision. At Vitra, her work across marketing, PR and events reflects her conviction that the best place is anywhere with nice people, and her generous allegiance to Beyond Space. A preference for green, wood and chocolate mousse suggests that atmosphere, material and hospitality are never entirely separate.
