WINNER OF THE CATEGORY

Lighting of the Year

For knowing exactly when to leave a room in shadow.

AWARDED TO

Noortje Lugthart

LICHTADVIES 010

For a body of work no lighting designer should reasonably be capable of, the jury observed an instinct for brushed nickel that cannot be taught, the courage to choose burgundy, and to keep choosing it and the unmistakable influence of Lars, worn lightly. You are hereby named winner of this category, by unanimous and faintly emotional decision.
