WINNER OF THE CATEGORY

Design Discernment

For knowing that the right answer is rarely the same answer twice.

AWARDED TO

Nuria Ripoll Aparisi

COLLIERS

As winner of Design Discernment, Nuria Ripoll Aparisi is recognised for an architectural judgment that remains open to context rather than fixed by habit. At Colliers, this sensibility is evident in her affection for fabric and mountains, and in an attention moving freely between yellow, metal and music. Her insistence that this award return every year is perhaps the clearest endorsement a first edition could receive.
