AWARDED TO

## *Pim Van De Geijn*

STUDIO TERCET

*As winner of Domestic Utility, Pim Van De Geijn is recognised for a practice at Studio Tercet that brings clarity and character to the objects closest to daily life. His preference for natural oak, sharpened by the unexpected precision of frosted lime, suggests a designer attentive to both permanence and presence. With Rotterdam close at heart and lighting design now occupying his thoughts, he continues to consider not only the object, but the room around it.*
