Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Design Synthesis

For bringing separate ideas together until they appear to have always belonged.

AWARDED TO

Samira Boon

BIOFOLD

As winner of Design Synthesis, Samira Boon is recognised for a practice guided by connections and disciplined clarity. At Biofold, a preference for white meets the elemental influence of the sea, allowing complexity to feel remarkably settled. The work demonstrates how a coherent whole can remain open to movement and change.
