Beyond Design Awards

Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Interior Direction

For giving every element a clear role, including those inclined to resist one.

AWARDED TO

Sanne Schenk

TANK

As winner of Interior Direction, Sanne Schenk is recognised for an assured instinct for character within space. At TANK, a preference for orange and dirty plastic reveals an equal confidence in colour, material tension and productive imperfection. With Beyond Space as a favourite and the TANK station as a place of affection, this is a design outlook that remains confidently close to home.
