WINNER OF THE CATEGORY

Best Use of Colour

For a decision most are far too cautious to make.

AWARDED TO

Soraya Layeb

INDEPENDENT

For a body of work no civil servant should reasonably be capable of, the panel remarked upon food, pursued with wholly unreasonable seriousness, a standard that Independent appears to have made habitual and a sensibility shaped somewhere between the studio and Amsterdam. History, we suspect, will pretend to have seen it coming. The phrase "😼" is understood to have settled the discussion. The matter is settled, the trophy is small, the honour considerable.
