Beyond Design Awards

Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Visual Direction

For arranging objects, surfaces and space until every element appears inevitable.

AWARDED TO

Twan Van De Laar

ATELIER UMA

As winner of Visual Direction, Twan Van De Laar is recognised for composing interiors with the assurance of a finished image and the depth of a lived space. At Atelier Uma, Yves Klein Blue, wenge and a current fascination with chrome become a disciplined vocabulary rather than a list of effects. Paris remains an apt point of reference, exacting, layered and never entirely resolved.
