Beyond Design Awards

Beyond forms. Beyond fees. Beyond expectations.

WINNER OF THE CATEGORY

Long Term Thinking

For asking where design is going, then ensuring its materials can make the return journey.

AWARDED TO

Victor Le Noble

AHREND

At Ahrend, Victor Le Noble brings a broad practice to circularity, guided by the question of where we are going rather than merely what comes next. His affinity for ash, ocean blue and Sagres suggests a sensibility grounded equally in material clarity and open horizons. As winner of Long Term Thinking, he is recognised for treating direction as a design responsibility.
